" *O you who have faith (in' Allah) do not take (such) Jews and (such) Christians as*
(Qur'an, al-Maida, 5:51)

[Note: The Qur'an does not here refer to individual friendship between a Jew and a Christian. Rather the Pakistani and Egyptian Muslims in particular must sever all ties with those within Pakistan and Egypt who have no doubt that large numbers of Egyptians are now waking up to the dangerous implication of NATO. Israel has to expand her territorial frontiers to encompass the (false) Biblical frontiers of the Holy Land (a No Jew will accept Dajjal's claim to be the Messiah when he does make that claim from Jerusalem in an And so it is inevitable that Israel will have to attack Egypt in order to physically occupy Egypt's Eastern Desert. Despite his faults and eccentricities, this much we can say with confidence about Moammar Gadhafi that Thanks to the cattle, such an attack on Egypt is now possible. It is time therefore for every Egyptian to be We may also note that there were economic and monetary reasons as well for the shameless NATO attack. Finally it is reported that Libya had no foreign debts. As a consequence the Zionist-controlled international There remains one part of this puzzle which defies explanation. Why did Russia and China support the U
